

Engage

Drive Real Wellness Engagement

IncentFit Engage delivers personalized wellness programs that resonate with employees. With *customized goals*, *real-time rewards*, and *seamless integration*, Engage ensures employees stay motivated and consistently active.

- Custom Rewards
Offer incentives such as direct financial rewards, additional PTO, or gift cards for health activities like workouts and doctor visits.
- Activity Verification and Real-Time Data
Track progress and adjust plans based on real employee behaviors.
- Social Challenges
Create team-based wellness challenges to foster community and engagement.

What Sets IncentFit Engage Apart?

IncentFit Engage goes beyond traditional corporate wellness programs by *driving authentic employee engagement* and *fostering a supportive, healthy workplace culture*. Employees are rewarded for real actions, creating lasting wellness habits while teams build stronger bonds through interactive challenges.

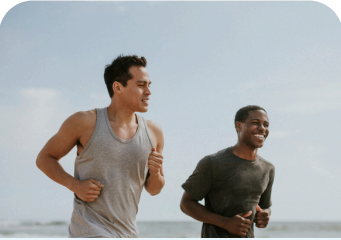

Win and Retain Top Talent

Stand out by *supporting employees'* personal well-being.

Strengthen Camaraderie

Build cohesive teams with friendly, *customizable wellness challenges*.

Real Engagement
